

KEEPING YOU ORGANIZED®

2019 PRODUCT CATALOG

Sharon Avent
CEO

To Our Valued Customers,

For more than 100 years, Smead has been dedicated to one thing: Keeping You Organized™. And although there have been many changes in both our business and yours, it is still our principle to provide only the highest quality products that best serve your needs.

In this update we have introduced many new and exciting filing products.

Smead will always be committed to a strong tradition of quality and integrity. As the third generation family owner and second woman to lead the company, my dedication to the future of Smead is strong. As I carry on my family's legacy, I will continue to invest in people, equipment and technology to ensure that Smead stays on the cutting edge of product development, manufacturing and distribution. Smead is, and will remain, committed to developing innovative and unique new products and ideas to solve your organizing needs.

Thank you for your interest and use of Smead products. To learn more about the company and our products, visit us on the web at smead.com. If you have questions, comments or suggestions, please let us know. You can contact our Customer Service team by phone at 1-888-737-6323 or by email at CustomerService@smead.com.

HANGING PRODUCTS

Hang on. Organization just got easier.

If it's worth hanging on to, it deserves a Smead hanging file. Hanging folders are the most popular way to keep papers neat in desk drawers, file cabinets and file boxes. Look for reinforced tabs and heavy-duty paper for long-lasting storage, and extra capacity files for bulky files.

HANGING PRODUCTS

Viewables® Premium 3D Hanging Folder Tabs and Labels

more color choices, fonts and templates

Use Smead Viewables color labeling system to turn your filing mess into a filing masterpiece. The proprietary 3D tabs for hanging folders can be read from the top, front or back making finding important files quick and easy. Viewables multipurpose folder labels can be used on file folders, hanging folders and a wide variety of other products to enhance organization. Use the FREE online label creator (viewables.com) to design and print one, or many, customized labels at a time without wasting label stock. For use with color inkjet and laser printers. Labels have permanent adhesive.

- Laser and inkjet printer compatible • Letter size sheets • 16 labels per sheet
- SIZE 3-1/2" W x 1-1/4" H, Before Folding

PREMIUM TABS AND LABELS (25-PACK) INCLUDES:

25 tabs, 32 labels (2 sheets), 32 label protectors

PREMIUM TABS AND LABELS (100-PACK) INCLUDES:

100 tabs, 112 labels (7 sheets), 112 label protectors

MULTIPURPOSE LABELS INCLUDES:

160 labels (10 sheets)

HANGING PRODUCTS

FasTab® Colored Hanging Jacket

Colorful hanging jackets with built-in reinforced tabs permanently attach to the folder – no assembly required! They are easy to label by either handwriting directly on the tab or applying self-adhesive labels. Ideal for filing photos, small notes and documents, and other items that need to stay together. Sturdy closed sides and bottom provide security.

- Sky blue • Flat • 1/3-cut tab, assorted positions

FasTab® Hanging Pockets

Built-in reinforced tabs are permanently attached to these hanging pockets – no assembly required. They are easy to label by either handwriting directly on the tab or applying self-adhesive labels. Full-height sides keep the pocket from getting caught when trying to take them out of a drawer or box while keeping documents secure. Die cut handles allow for easy lifting and transporting, which are great for files that need to be frequently removed from the file drawer. The 5-1/4" expansion features tear resistant rolover reinforced sides at critical wear points. The gusset extends deep inside the front and back panels making these pockets extra durable to hold lots of paperwork.

- 11 point colored stock • 3-1/2" or 5-1/4" expansion
- 1/3-cut tab, assorted positions
- Full-height side gussets
- 5-1/4" pockets have rolover tear resistant reinforcement at top and bottom of gusset
- Die cut handle for easy removal from file drawers
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 11-3/4" W x 10" H Overall (Exclusive of Rods)
- LEGAL SIZE 14-3/4" W x 10" H Overall (Exclusive of Rods)

FasTab® Hanging Fastener Folders

Combine the convenience of a hanging folder with the functionality of a fastener folder. Smead's patented SafeSHIELD® coated fasteners protect against paper tears, finger cuts and excessive fastener crinkling. With the added benefit of FasTab, these folders are easy to label by either handwriting directly on the tab or applying self-adhesive labels.

- 11 point stock • 1/3-cut tab, assorted positions
- Two 2" SafeSHIELD fasteners in positions no. 1 and no. 3
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 11-3/4" W x 10" H Overall (Exclusive of Rods)

FasTab® Hanging Pressboard Classification Folders

Heavy-duty, portable FasTab hanging classification folders combine the convenience of a hanging folder with the functionality of a classification folder. Built-in heavy-duty reinforced tabs permanently attached to the folder – no assembly required. They are easy to label by either handwriting directly on the tab or applying self-adhesive labels. Plus, once you remove the file from the drawer you can simply fold down the hangers and go! Protect your documents and fingers with Smead's patented SafeSHIELD® Coated Fastener Technology – the ultimate solution to fastener issues, including paper tears, finger cuts and excessive fastener crinkling. Sturdy tear resistant gusset expands to hold up to 2" of paperwork.

FOLDER:

- 23 point blue pressboard stock • 2/5-cut tab, right of center position
- Two 1" SafeSHIELD "B" style fasteners in positions no. 1 and no. 3
- 50% recycled content, 30% post-consumer material

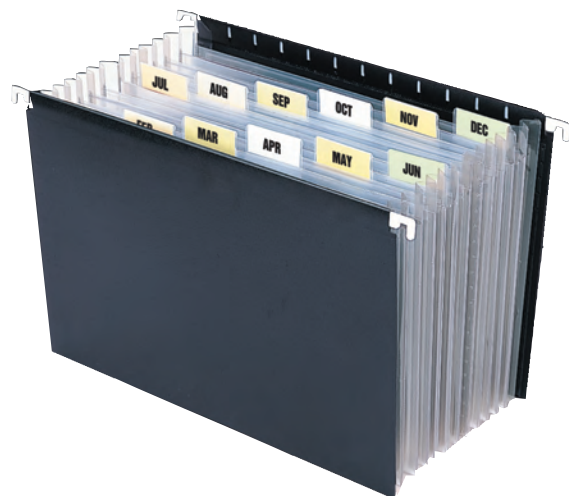

DIVIDER(S):

HANGING PRODUCTS

Heavy-Duty Adjustable Hanging Folder Frames

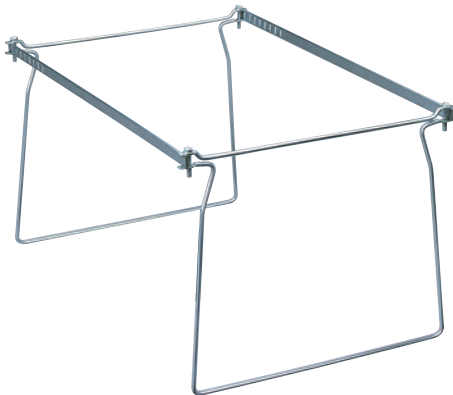

Frustrated by hanging folder frames that are difficult to assemble and then fall apart right away? The heavy-duty adjustable frame for hanging folders is a durable, easy-to-assemble solution. Two-step assembly is quick and easy - no tools required! The assembled frame can be adjusted to fit a variety of drawer lengths (16" to 24" in length) with a simple push or pull. Also works great on the desktop. Heavy-duty construction withstands heavy loads.

- Injected plastic frame • Heavy-duty coated rails • Rails adjust from 16" to 24"

Indexed Folder Sets

Stay on schedule with the perfect folder system for monthly or daily follow-up. Use two sets (monthly and daily headings) for a full year follow-up file. Simply use the 1-31 daily folders for materials needing action in the current month; at the beginning of a new month, distribute the material from the monthly folder into the appropriate daily folder when action needs to be taken. Alphabetic sets are handy for maintaining small desk drawer files of papers not requiring their own files.

U.S. Patent No. 8,414,211; 8,678,061; 8,746,314 and 9,114,597

100% Recycled Pressboard Fastener Folders

Pressboard fastener folders are made for large, bulky files that get plenty of use. Excellent for project files, loans, legal files or anytime you need to keep large amounts of paperwork in sequential order for frequent reference. Sturdy, tear resistant gusset expands to hold 1", 2" or 3" of paperwork. Made of 100% recycled content, these files are ideal for the environmentally conscious office.

- 25 point pressboard stock
- 1/3-cut tab, assorted positions
- 1", 2" or 3" expansion
- Two 2" prong "K" style fasteners in positions no. 1 and no. 3
- 100% recycled content, 30% post-consumer material
- LETTER SIZE 11-3/4" W x 9-1/2" H Overall, 9" H Body
- LEGAL SIZE 14-3/4" W x 9-1/2" H Overall, 9" H Body

Colored Pressboard Fastener Folders with SafeSHIELD® Coated Fastener Technology

Protect your documents and fingers with Smead's patented SafeSHIELD Coated Fastener Technology – the ultimate solution to fastener issues, including paper tears, finger cuts and excessive fastener crinkling. Installed fasteners hold papers securely inside folders and prevent valuable papers from falling out or getting lost. Made from durable pressboard, these folders resist wear and tear and are ideal for large, heavily used files. Sturdy, tear resistant gusset expands to hold up to 2" of material.

- 23 point colored pressboard stock • 1/3-cut tab, assorted positions
- Two 2" prong SafeSHIELD coated "B" style fasteners in positions no. 1 and no. 3
- 50% recycled content, 30% post-consumer material

Poly Fastener Folder

Protect and secure documents with a polypropylene fastener folder. Poly material is super durable, repels moisture and is tear resistant. Documents can be subdivided within the folder, and fasteners hold paper securely inside.

- Opaque poly • 1/3-cut tab, assorted positions • Scored for 3/4" expansion
- Two 2" prong "K" style fasteners in positions no. 1 and no. 3
- Acid free, PVC free • Durable, tear resistant poly • Water resistant
- LETTER SIZE 11-5/8" W x 9-1/2" H Overall, 9" H Body

Description	LETTER

Manila	10545	24	120

Casebinder

Keep papers in chronological order without any hassles. Fastener on special flap always keeps the first pages you put into the file in front, so you don't have to remove papers each time you add more. Extra heavy stock and double-thick back panel withstand constant handling. Tabs are wider for long headings and higher for better visibility in drawers.

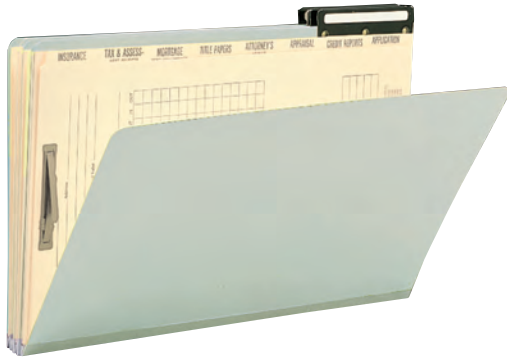

- 14 point stock • Reinforced 1/2-cut tab, assorted positions
- Flap and front panel scored for 2" expansion • 2" prong "K" style fastener on flap
- Flaps alternate left and right positions
- 10% recycled content, 10% post-consumer material
- LEGAL SIZE 14-3/4" W x 9-7/8" H Overall, 9" H Body

Custom Printing Available: Printed casebinders are available on special-made basis. Standard legal forms are available, for certain states, and will be supplied on a special-made basis.

TOP TAB PRODUCTS

Pressboard Mortgage Folder

Organize mortgage paperwork using eight manila dividers with preprinted tabs. Front divider has preprinted form for applicant's basic information and an inventory checklist to keep track of documents added to the folder. Includes a manila jacket for smaller papers, certificates or photos that cannot be punched and a fastener compressor for tightly binding contents. Flat metal tab has a replaceable insert, and preprinted tab dividers and jacket can be ordered for reuse of folder.

FOLDER:

- 25 point gray/green pressboard stock • 2/5-cut tab, right position
- 1" expansion • 2" prong "K" style fastener with one compressor per folder
- 100% recycled content, 30% post-consumer material

DIVIDERS:

- 11 point manila stock
- Tab headings: 1. Insurance 2. Tax and Assessment Receipts 3. Mortgage 4. Title Papers 5. Attorney's Opinion 6. Appraisal 7. Credit Reports 8. Application
- 8 preprinted headings in black ink • Punched for fasteners
- 10% recycled content, 10% post-consumer material

JACKET:

- 11 point manila stock • Flat-no expansion • Closed on both sides and bottom
- Punched for fastener • 10% recycled content, 10% post-consumer material
- FOLDER (GUIDE HEIGHT) 14-3/4" W x 10" H Overall, 9-1/2" H Body and Front
- DIVIDERS 14-3/8" W x 9" H Overall, 8-1/2" H Body

Full-Height File Pockets with Easy Grip®

These pockets have two distinct advantages over standard pockets—the full-height gusset prevents the file from catching on hang rails in file drawers and the SmeadGrip® non-slip grip provides twice as much grip as a standard pocket. Manage bulky records with these sturdy pockets that keep papers from slipping out. With the SmeadGrip non-slip grip, the pocket requires less gripping force and strain to pick up out of drawers. Available in expansions up to 5-1/4", the rollover tear resistant reinforcement makes the gusset sides virtually tear proof.

- Redrope stock with Easy Grip coating
- Straight-cut tab • 3-1/2" or 5-1/4" expansion
- Full-height gusset with tear resistant reinforcement at top and bottom

U.S. Patent No. 8,678,061

End Tab Fastener Folders with Antimicrobial Product Protection and Shelf-Master® Reinforced Tab

Product treated to resist the growth of bacteria, mold and mildew that can cause stains, odors and product deterioration. Use fastener folders to subdivide papers inside the folder. The double-thick tab puts extra strength where you need it most.

- 11 point manila paper with antimicrobial product protection • Reinforced tab 1/2" wide
- Scored for 3/4" expansion • One or two 2" prong "B" style fasteners
- Acid free • 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-1/4" W x 9-1/2" H Overall, 11-3/4" W Body, 9-1/2" H Front

Description	LETTER

11 Point Manila, One Fastener per Folder, Position No. 1	34113	50	250
11 Point Manila, Two Fasteners per Folder, Positions No. 1 and No. 3	34116	50	250

U.S. Patent No. 8,678,061

Smead products with antimicrobial product protection resist the growth of bacteria, mold and mildew that can cause stains, odors and product deterioration.

End Tab Fastener Folder with Divider

Fastener folders are an excellent solution to subdivide papers inside a folder and make it easy to keep paperwork in sequential order for frequent reference. The addition of a pre-installed divider with fasteners lets you store information under four separate filing surfaces within a single folder. Reinforced Shelf-Master® tab gives added strength where you need it most.

- 11 point manila stock • Reinforced tab 1/2" wide • Scored for 3/4" expansion
- Two 2" prong "B" style fasteners on front and back panels • 1" twin prong fastener on divider
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-1/4" W x 9-1/2" H Overall, 11-3/4" W Body, 9-1/2" H Front

U.S. Patent No. 8,678,061

End Tab U-Clip Fastener Folder with Shelf-Master® Reinforced Tab

These folders feature straight-cut tabs for color-coded indexing and a U-clip fastener for securing documents inside the folder. Reinforced tab provides extra strength.

- 11 point manila • Reinforced tab 1/2" wide • Scored for 3/4" expansion
- One 2" "U" style fastener in position no. 5
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-1/4" W x 9-1/2" H Overall, 11-3/4" W Body, 9-1/2" H Front

Description	LETTER		
	Item	Box	Ctn

End Tab Pocket Folder with Fastener

Handy pocket on the inside front panel safely holds small or loose materials and protects photos, X-rays or electronic media from staple or paper clip damage. Pocket is open on top and inside edges for easy filing. Sealed on the outer edges to hold items secure during transport and features a fastener for extra security.

- 11 point manila stock • Reinforced tab 3/4" wide
- 9" W x 5-3/4" H pocket on inside front • One 2" prong "B" style fastener in position no. 1
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-1/4" W x 9-1/2" H Overall, 11-1/2" W Body, 9" H Front

U.S. Patent No. 8,678,061

End Tab Expansion Fastener Folders with Reinforced Tab

These heavyweight folders have a "W" fold that expands to hold up to 1-1/2" of paperwork. Keep rough drafts of large documents fastened on one side and final drafts fastened on the other.

- 14 point manila stock • Reinforced tab 7/8" wide
- Interlocking reinforced top edge of back panel
- Two 2" prong "B" style fasteners in positions no. 1 and no. 3
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-1/4" W x 9-1/2" H Overall, 11-7/16" W Body, 9-1/2" H Front

END TAB PRODUCTS

End Tab Fastener Folder with Full Pocket

This fastener folder comes with the added feature of a fully-enclosed pocket that can be used to store small objects or papers that cannot be two-hole punched. The pocket has an extended thumbcut for easy access to pocket contents. Two filing surfaces with fasteners allow you to subdivide and secure your documents. The folder features a straight-cut tab for color-coded indexing. The tab is also reinforced, putting extra strength where you need it most.

- 11 point manila stock • Reinforced extended tab
- Folder scored for 3/4" expansion • Fully-enclosed right-side pocket
- Two 2" prong "B" style fasteners in positions no. 1 and no. 3
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-1/4" W x 9-1/2" H Overall, 11-1/2" W Body, 9-1/2" H Front

Because of overall pocket width, verification of fit in file cabinets is encouraged.

Extra Wide End Tab TUFF® Pocket File Pockets with Reinforced Tab

You'll appreciate our virtually indestructible TUFF file pocket that won't rip out, even when pulled from the shelf by the gusset. Gusset is fully lined with tear resistant material, has special rollover reinforcement at the top, and extends into the front and back panels twice as far as standard file pockets. Super heavyweight front and back panels provide rigid support and have a hidden reinforcement strip at the point of greatest stress. Extra wide pockets accommodate standard size top tab file folders to create a complete client file.

- Redrope stock • Reinforced tab 3/4" wide • 3-1/2", 5-1/4" or 7" expansion
- 6-3/8"-high fully lined gusset with rollover reinforcement at top
- Gusset extends 7/8" into panels • Hidden reinforcement strip, both panels
- 30% recycled content, 30% post-consumer material
- EXTRA WIDE LETTER SIZE 12-3/4" W x 9-1/2" H Overall, 12" W Body, 9" H Front
- EXTRA WIDE LEGAL SIZE 15-3/4" W x 9-1/2" H Overall, 15" W Body, 9" H Front

End Tab Manila Out Guides with Printed Form

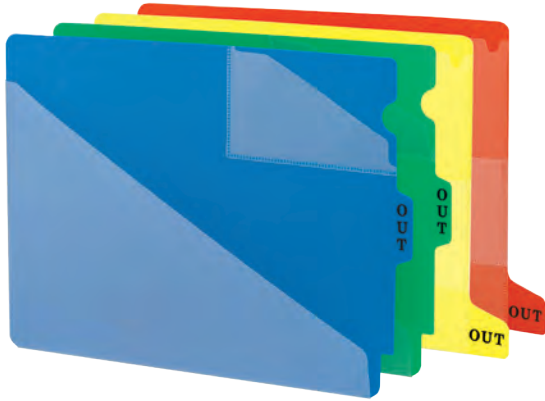

Clearly mark where a folder has been removed from the file by inserting an out guide in its place, putting an end to lost files. Preprinted charge-out forms on both sides indicate file taken, date taken and by whom. A red tab stands out from surrounding folders for quick location. Standard letter and legal sizes align flush with end tab folders for closeable cabinets.

- 18 point manila stock • Tab 1/5-cut, center position, 1/2" wide
- Tab is printed "OUT" in reverse type • 150 entry spaces, 75 per side
- 10% recycled content, 10% post-consumer material

Erasable SuperTab® File Folder Label

SuperTab erasable labels have a special erasable surface that makes it easy to revise or reuse labels and file folders. The labels are oversized to fit SuperTab file folders. The labels are 90% larger than standard size file folder labels, so you can use larger text or add more lines of description which makes it easier to read and find file folders quickly. Write directly on the erasable surface with a permanent marker and easily erase with a standard white eraser. An eco-friendly, reusable solution for your filing needs. Not recommended for use in printers.

- White stock with a clear laminate coating
- 4 labels per sheet
- LABEL SIZE 3-7/16" W x 1-1/4" H

AlphaZ® ACCS Color-Coded Alphabetic Labels

Actual Size

Put an end to misfiled records and cut filing and retrieval time with these color-coded alphabetic labels. ACCS-style labels wrap around the folder tab so they are readable from both sides of the folder. Thirteen colors in two print designs code all 26 letters and are compatible with other AlphaZ label styles. First half of the alphabet has white letter and second half has white letter plus two white bars against colored background. Clear laminate keeps labels clean and colors bright, even with frequent handling. Use as a secondary label with NCC style name labels or as primary coding labels with computer generated name labels.

- 13 distinctive colors
- Protected by clear laminate
- Colors match all AlphaZ label systems
- Scored height direction to provide wraparound color bar
- 10 labels per sheet, 10 sheets (100 labels) per resealable pegboard display pack
- LABEL SIZE 1" W x 1-5/8" H, Before Folding

LABELING PRODUCTS

AlphaZ[®] NCC Color-Coded Name Labels

Actual Size

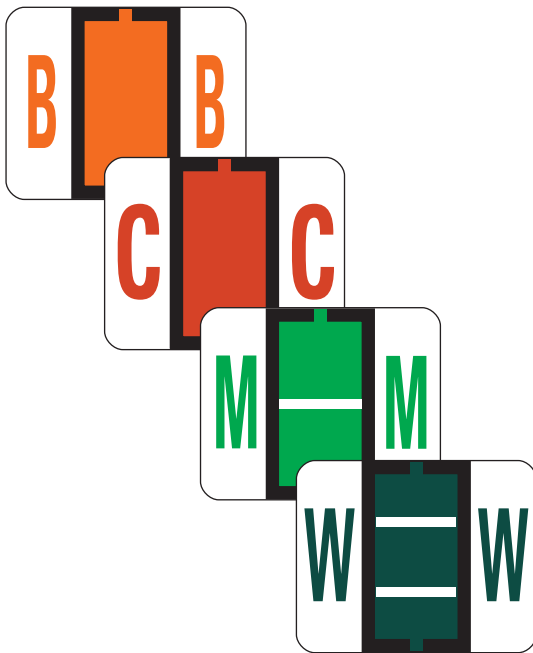

The standard for alphabetic color coding in both top tab and end tab filing systems, these wraparound style labels can be read from both sides. Thirteen colors code all 26 letters; first half of alphabet has colored letter against white and second half has white letter against colored background. Two letters are assigned to each label to reduce inventory. Simply tear off the unused letter when removing from the backing sheet. Use alone for mid-sized alphabetic filing systems or with ACCS or ACC style labels in larger systems.

- 13 distinctive colors • Illustrated instructions included
- Resealable pegboard display pack • Colors match all AlphaZ label systems
- 5 labels per sheet, 20 sheets (100 labels) per pack
- OVERALL SIZE 3-5/8" W x 1-5/32" H
- LABEL SIZE 3-1/8" W x 1-5/32" H, After Removal of Unused Letter, Before Folding

Twin Prong Fastener

Simply bend two prongs outward and push through the pre-punched slits on any Smead divider, and you've instantly got a fastener to organize both sides of your divider or partition.

- Metal with brown enamel finish • 5/8" and 1" capacity • Standard 2-3/4" C-C

Description	Item	Box	Ctn
5/8" and 1" Capacity	35051	100	2500

Self-Adhesive Fastener with SafeSHIELD® Coated Fastener Technology

Protect your documents and fingers with Smead's patented SafeSHIELD Coated Fastener Technology — the ultimate solution to fastener issues, including paper tears, finger cuts and excessive fastener crinkling. Feel confident knowing your documents are secure by using reinforced self-adhesive fasteners. To use, simply remove the backing from the adhesive strip and apply to a filing surface. The superior adhesive strength will secure the fastener and its contents on a variety of filing surfaces.

- 2" capacity SafeSHIELD coated fastener • Durable 5" self-adhesive strip
- Permanent adhesive • Conveniently packaged 5 fasteners per sheet, 10 sheets per box

Description	Item	Box	Ctn
2" Capacity	68216	50	1000

U.S. Patent No. 8,414,211; 8,746,314 and 9,114,597

Self-adhesive products have a limited shelf life. Store in a cool, dry place. Press firmly when applying.

Reinforced Self-Adhesive Fastener

Feel confident knowing your documents are secure. Independent strength tests indicate this reinforced fastener's adhesive has twice the holding power of traditional self-adhesive prong-style fasteners. Simply remove the backing and apply to a variety of filing surfaces.

- Metal with brown enamel finish • 2" capacity • Durable 5" self-adhesive strip
- Permanent adhesive • Conveniently packaged 5 fasteners per sheet, 20 sheets per box

Description	Item	Box	Ctn
2" Capacity	68215	100	2000

Self-adhesive products have a limited shelf life. Store in a cool, dry place. Press firmly when applying.

FILING ACCESSORIES

U-Clip Bonded Fastener

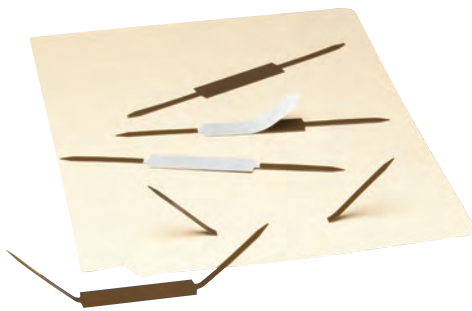

Unique design allows folders to function like ring binders. Flexible self-adhesive fastener attaches to any folder, allowing pages to lie flat for easy viewing or photocopying. Plastic tubing bends as you fold back papers so adding and removing pages doesn't mean removing and replacing any of the other pages. Each fastener holds up to 2" of paper.

- Flexible, heavy-duty plastic tubing
- 100 fasteners, compressors and U-clips per box

Description	Item	Box	Ctn
2" Capacity	68260	100	500

Self-adhesive products have a limited shelf life. Store in a cool, dry place. Press firmly when applying.

Self-Adhesive Fasteners

Quickly subdivide materials or arrange papers in sequential order within any style of folder. Apply to the inside panel of the folder for general filing applications, or apply through pre-punched slits for extra strength in folders holding large amounts of paperwork. Also handy for use in binders or brief covers or for posting papers on bulletin boards.

- Metal with brown enamel finish
- 1" or 2" capacity
- Permanent adhesive

Description	Item	Box	Ctn
1" Capacity	68210	100	2500
2" Capacity	☆ 68220	100	2500

Self-adhesive products have a limited shelf life. Store in a cool, dry place. Press firmly when applying.

Self-Adhesive Folder Divider

Add organization to any top tab or end tab folder. When used in standard fastener folders, these dividers classify papers in up to four categories. To create additional filing surfaces, add self-adhesive or twin prong fasteners to your dividers.

- 11 point manila stock
- Scored to form self-adhesive hinge for attaching to folder
- Standard 2-3/4" slit punching
- Permanent adhesive
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 11-1/4" W x 8-1/2" H (Installed Size)

● Manila (100-Pack)	☆ 68021	-	10

Self-adhesive products have a limited shelf life. Store in a cool, dry place. Press firmly when applying.

Self-Adhesive Folder Dividers with Twin Prong Fastener

Don't waste time installing twin prong fasteners. These factory-installed fasteners add two filing surfaces to any top tab or end tab file folder. Simply peel back the protective strip and press the adhesive-hinged flap into the folder or binder.

- 11 point manila stock • 1" prongs on both sides of divider
- Scored to form self-adhesive hinge for attaching to folder • Permanent adhesive
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 11-1/4" W x 8-1/2" H (Installed Size)

Self-Adhesive Folder Divider with Pockets

These self-adhesive dividers have a pocket on both sides to keep important materials from falling out of folders. Great for items that cannot be punched, such as small papers, photos, X-rays or certificates. Works in both top tab or end tab folders.

- 11 point manila stock • 5-1/2" high pocket on both sides
- Scored to form self-adhesive hinge to attach to folder • Standard 2-3/4" slit punching
- Permanent adhesive • 10% recycled content, 10% post-consumer material

Folder Dividers with Fastener

Create as many separate filing surfaces in one fastener folder as needed. Punched hinge at the top fits over the fastener on the divider beneath it, then the bottom divider fits over the fastener in the file folder. Sections can be removed from folder without changing the paper order. Assorted position 1/5-cut tabs on bottom or side of dividers allow for quick identification of sections.

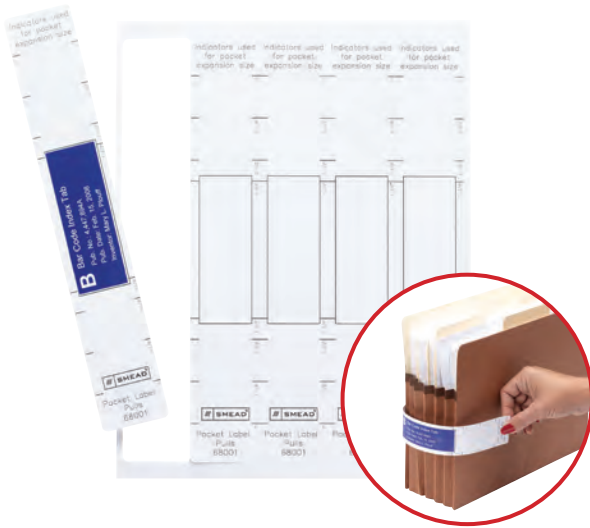

- 11 point manila stock • Scored for 1/2" expansion • 10 sets (50 dividers) per pack
- One 2" prong "B" style fastener per folder divider • Reinforced slit punching
- 10% recycled content, 10% post-consumer material
- LETTER SIZE Holds 8-1/2" W x 11" H Sheet
- LEGAL SIZE Holds 8-1/2" W x 14" H Sheet

Viewables® Pocket Label Pull

Quickly and easily label your file pockets with the new Viewables pocket label pulls. Pocket pulls make pocket shelf filing an organized color-coded system. These pocket pulls aid in the removal of the pockets from any open shelf system. The tear resistant material makes the handle strong and durable and also extends the life of the pocket by preserving the gusset. Simply create and print color-coded labels with the free Viewables online label creator (viewables.com), apply to the band and then apply to the pocket. Indicator marks on the label identify correct placement of the bands for 1-3/4" to 7" pockets.

POCKET LABEL PULLS

- Pulls made from tear resistant paper/poly laminate
- Self-adhesive tape on back of band adheres to paper/poly
- Label indicator marks help with label placement on pockets

LABELS

- Inkjet and laser compatible • Includes 48 labels (3 sheets)

Description	Item	Box	Ctn

SuperTab® Pocket Dividers

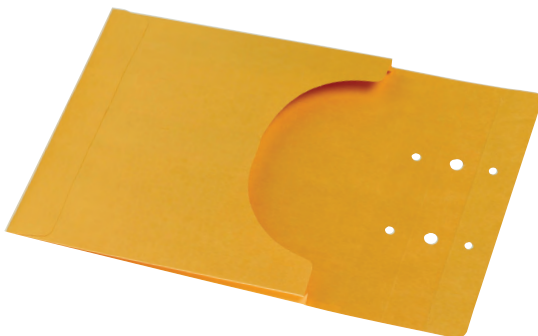

Get instant subdivision inside any file pocket with the SuperTab pocket divider. This clever insert has two dividers to give you three separate filing sections in every pocket. Oversized tabs provide 90% more labeling area so you can use larger text or more lines of description. Made from heavyweight stock, the SuperTab pocket divider will stand up to the toughest filing challenge. Fits all 3-1/2", 5-1/4" and 7" top tab, end tab and hanging file pockets.

- 14 point heavyweight manila stock • 1/2-cut oversized tab, assorted positions
- 2 dividers per insert • 3-1/4" wide base
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 11-1/2" W x 9-3/8" H Overall

Justick™

By Smead | Displaying today with tomorrow's technology

DISPLAY BOARDS

Say hello to the most advanced display boards.

- Justick is the most advanced next generation of bulletin, display and dry-erase boards available.
- Super easy and quick to use. Electro adhesion magnetizes paper, pictures and cards to the surface of the bulletin, display or dry-erase board without needing push pins, magnets or tape.
- Simply place your materials on the patented Justick electro adhesion surface and they just stick!

DISPLAY BOARDS

Justick™ Electro Adhesion Dry-Erase Boards

Super easy and quick to use. The electro adhesion magnetizes paper, pictures and cards to the surface of the dry-erase board without needing push pins, magnets or tape. Simply place your materials on the patented Justick electro adhesion surface and they just stick! It's safe for inside environments and you won't damage materials you want to use again and again. A clear overlay protects materials and provides a dynamic whiteboard experience with a dry-erase marker, allowing you to draw attention to your message without writing on your materials. All items require four AA batteries (not included) or use of an AC adapter (purchased separately).

The electro adhesion magnetizes paper, pictures and cards to the surface of the bulletin, display or dry-erase board without needing push pins, magnets or tape. Simply place your materials on the patented Justick electro adhesion surface and they just stick! It's safe for inside environments and you won't damage materials you want to use again and again. Durable, non-porous plastic surface is easy to clean and holds up to considerable use. All items require four AA batteries (not included) or use of an AC adapter (purchased separately).

Mini Stadium® File

The three-pocket mini Stadium file is ideal for clearing clutter from your workspace or counter. You can turn piles into files with this tiered expanding file that lets you see everything at a glance. The large pockets are tiered and fixed so the papers don't fall to the bottom of the file. It is great for organizing papers, files and incidental office supplies. The shorter fourth front pocket is great for storing small incidentals, such as sticky notes, small tablets and envelopes. Coordinates with the Smead Stadium file.

- 3 large pockets expand to 1-1/2" each • Short front pocket expands to 1-1/8"
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 12-3/8" W x 8-1/2" H Overall, 6-1/4" H Front

Viewables® Three-Ring Binder Index Dividers, 1/3-Cut Tabs

Divide material into separate classifications inside any three-ring binder. The Viewables three-ring binder index dividers allow you to create dynamic color-coded labels. Simply create and print color-coded labels with the free Viewables online label creator (viewables.com) and apply to the index divider tabs. Larger 1/3-cut tabs allow for more label information and quick identification of each category. Label is viewable from both sides.

INDEX DIVIDERS

- 11 point white stock • 1/3-cut tabs in assorted positions
- 75 dividers (3 dividers per set - 25 sets per box)
- 10% recycled content, 10% post-consumer material
- LETTER SIZE 8-7/8" W x 11" H Overall

LABELS

- Inkjet and laser compatible • Letter size sheets; 80 Viewables labels included (5 sheets)

MADE-TO-ORDER PRODUCTS

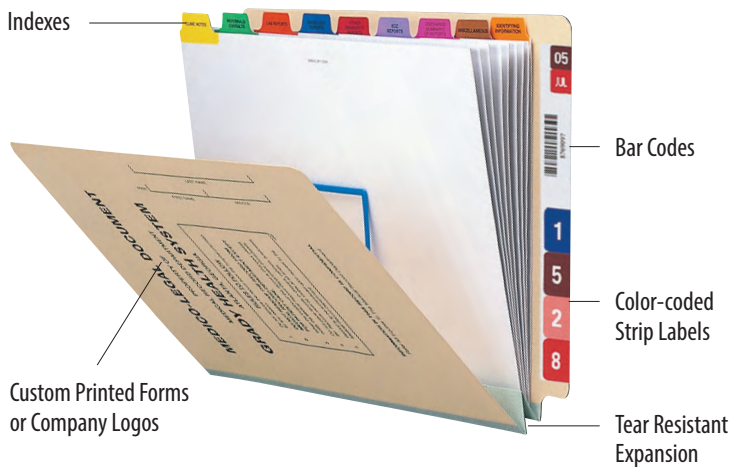

You design it, we'll create it.

Smead has the capability to manufacture filing supplies to your exact specifications. Smead can offer print options on a variety of paper and adhesive stocks and on many types of polypropylene products. To provide extra functionality to your filing system, add company logos, alerts, handling instructions, tab headings, and much more.

Define what you need or work with Smead to develop the right product for the job. To get started, contact a Smead sales representative or visit our online folder designer at [smead.com/folderdesigner](https://www.smead.com/folderdesigner).

MADE-TO-ORDER PRODUCTS

Custom options to make your filing system work harder, so your job is easier.

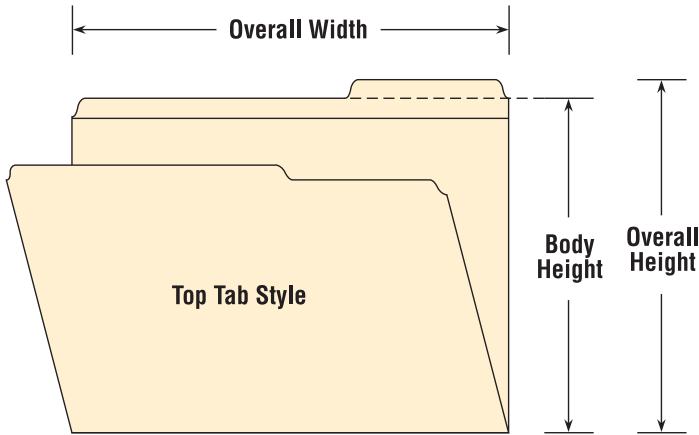

CUSTOMIZE

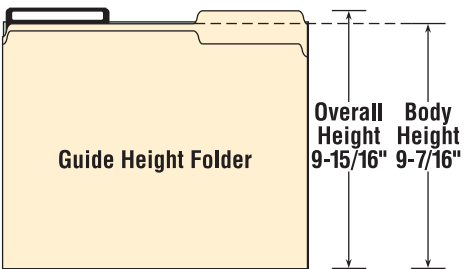

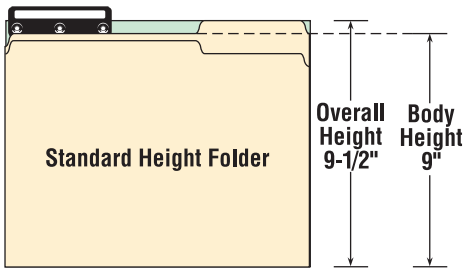

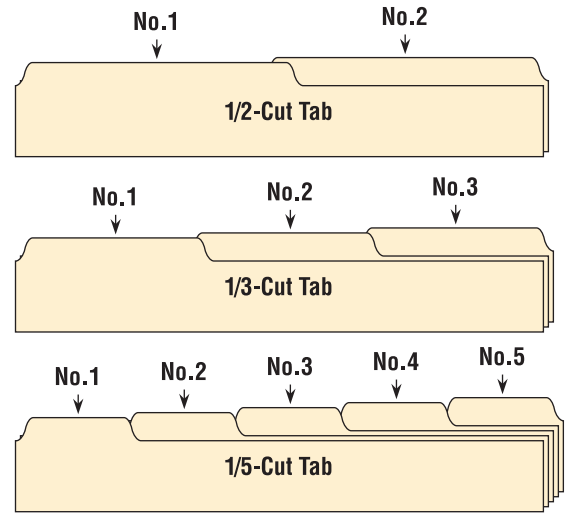

- File Folders
- Hanging Folders
- Fastener Folders
- Classification Folders
- Expanding Files
- Presentation Products
- Guides
- Pockets
- Jackets
- Wallets

TOP TAB FOLDERS

Folders and jackets can be made with single-ply or reinforced tabs in custom sizes or positions. Detailed drawings and measurements are needed for special sizes. Refer to the illustrations for indicating the tab position. Be sure to specify if folders are standard height, guide height or a custom size.

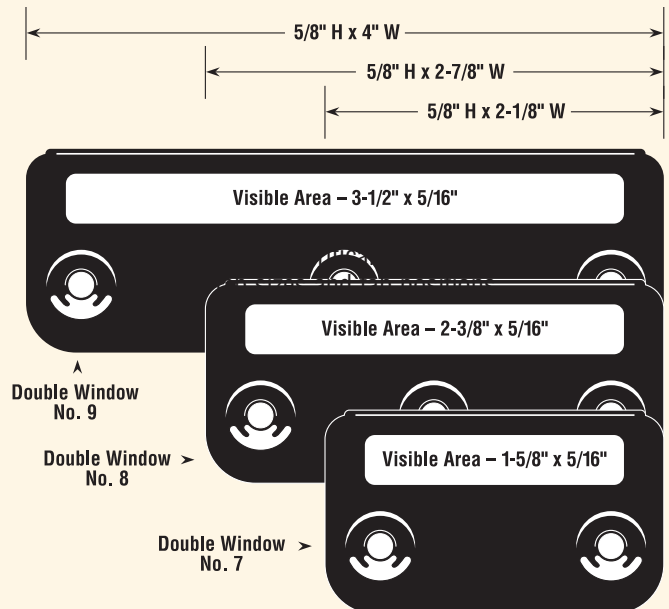

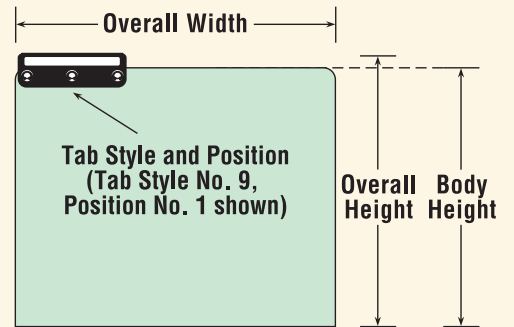

TAB POSITIONS

GUIDES

Guides are available with plain, fused polypropylene or flat metal tabs, and can be ordered with alphabetic divisions of 25, 50, 100 or higher.

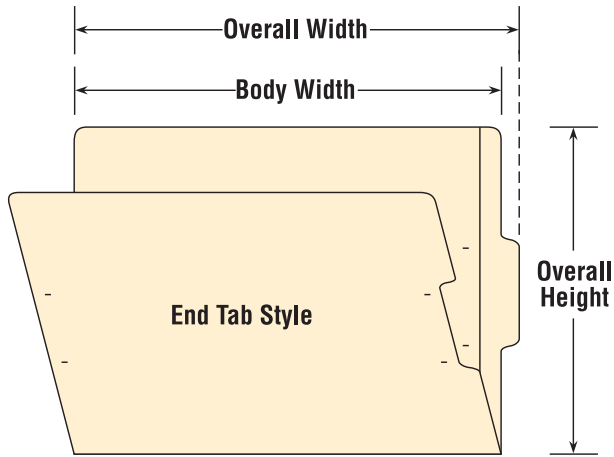

Be sure to indicate all dimensions. Verify overall folder size to make sure they fit properly on shelves.

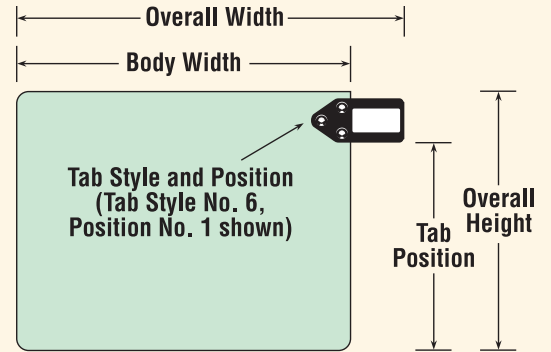

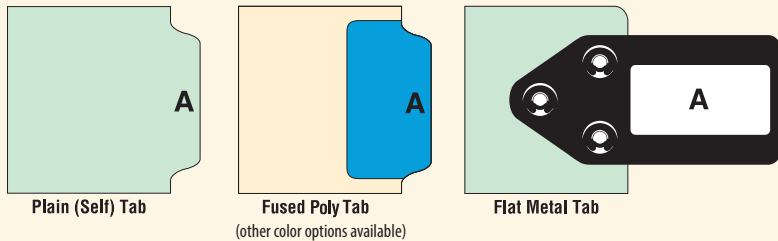

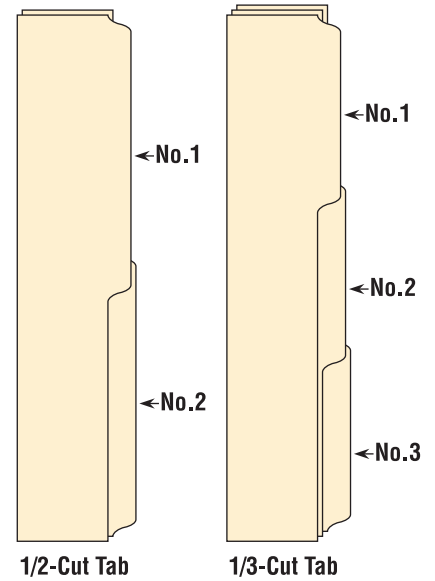

MADE-TO-ORDER PRODUCTS

END TAB FOLDERS

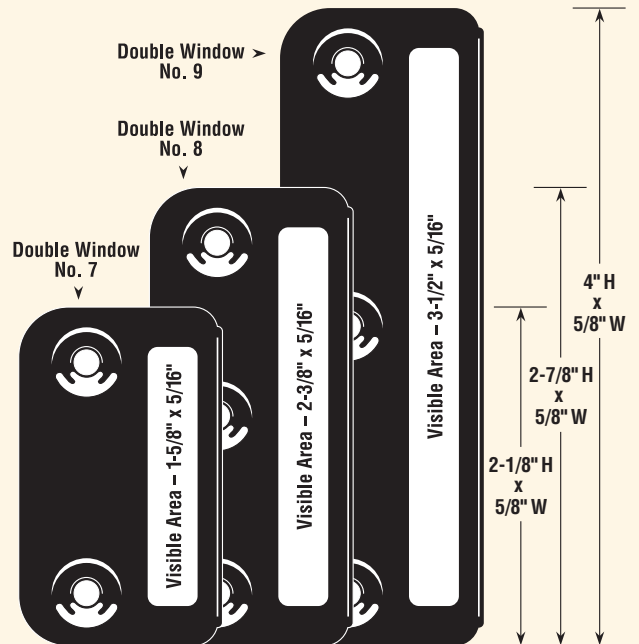

Most products can be manufactured with end tabs instead of top tabs for use in shelf filing systems. Choose single-ply or reinforced tabs.

TAB POSITIONS

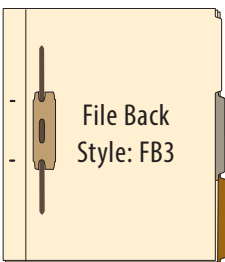

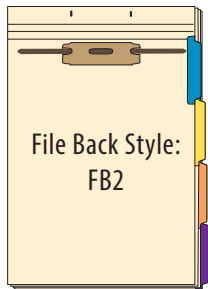

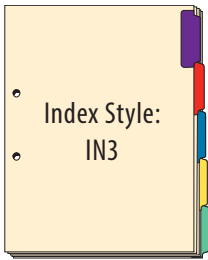

Metal tabs are made of high grade steel with a black finish and are clamped to pressboard. Inserts are visible from both sides. Pressboard is available in 20, 23 or 25 point thickness.

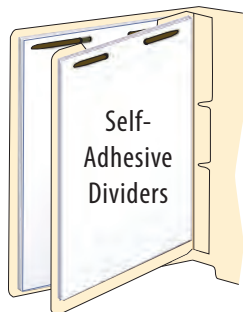

INDEX DIVIDERS

Create a filing system inside each patient chart or project file. Colored Mylar® tabs with your headings printed on both sides keep your documents separated for quick access.

Self-Adhesive Pockets

INDEXES

Two-hole punched to fit over fasteners in the folder. Pages are added by removing papers and indexes at the point of insertion, and replacing them above the added pages on the fastener.

90 lb. or 110 lb. white or ivory stock • 124 lb. manila stock • Punches are reinforced with Mylar® • Dimensions: 8-1/2" x 11" plus 1/2" for side tabs and 3/8" for bottom tabs

FILE BACKS

Add pages within each section without removing the other sections. Each file back has its own fastener and attaches to the one below with a punched foldover hinge.

110 lb. or 124 lb. manila stock • 1" scored hinge with Mylar®-reinforced slits • 2" bonded fastener preinstalled • Dimensions: 8-1/2" x 11" plus 1/2" for side tabs and 3/8" for bottom tabs

SELF-ADHESIVE FILE BACKS

Use when the fastener is not on the same side as the hinge. The dividers turn like a book page, while pages flip up for viewing.

110 lb. or 124 lb. manila stock • 2" bonded fastener preinstalled both sides • 1" scored hinge with 3/4" self-adhesive tape • Dimensions: 8-1/2" x 11" plus 1/2" for side tabs

SELF-ADHESIVE POCKETS

Pockets eliminate the need to hole-punch documents but still allow for maintaining order and organization for small and odd size material.

Available in a variety of sizes. Visit Smead.com and enter "Poly Pockets" in the keyword search to learn more.

SELF-ADHESIVE DIVIDERS

Easy to install dividers provide additional organization in any file folder. You can easily create up to four categories when these dividers are used in standard fastener folders.

Available in a variety of sizes and weights. Fastener and pocket configurations are all made-to-order.

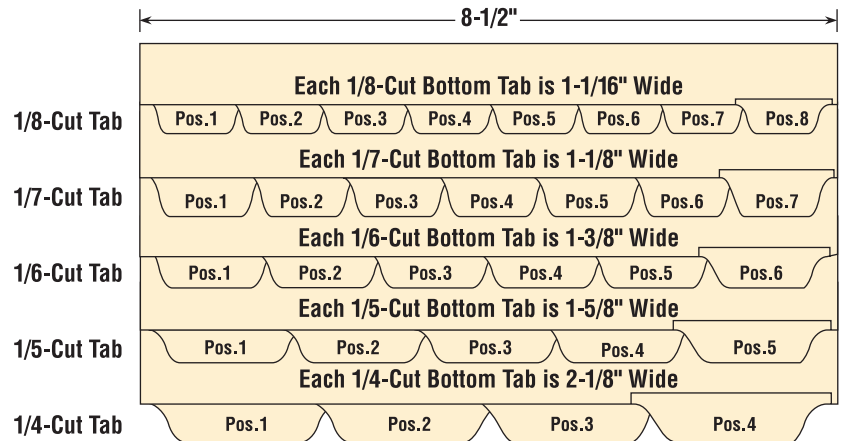

MADE-TO-ORDER PRODUCTS

HOW TO ORDER INDEXES AND FILE BACKS

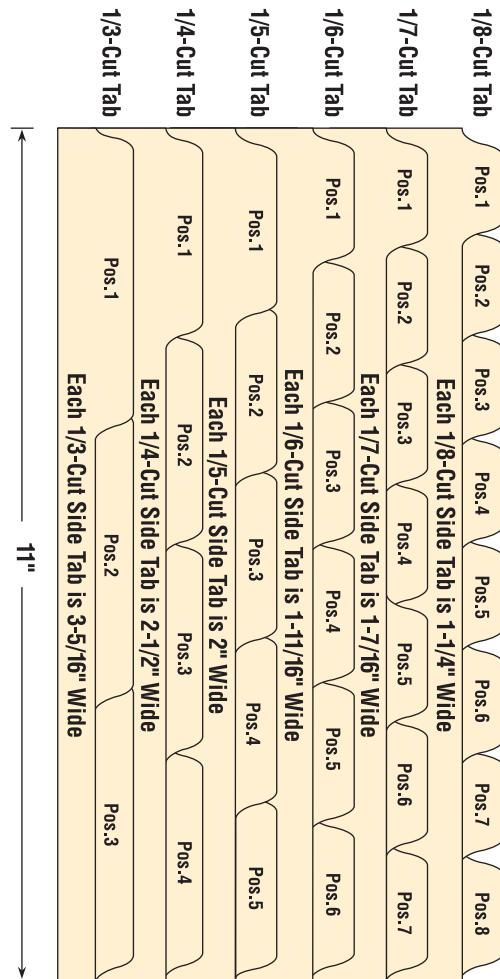

1. Choose the style of index or file back
2. Specify material weight and color
Additional colors and stocks are available as well as printing on the body. We can also preinstall divider sets into any stock or custom folder.
3. Specify tab cut
See illustrations at right.
Specify side or bottom tabs.
4. Specify the title and color for each tab
Select Mylar® colors for tabs from the chart below.
5. Specify collated sets or packed individually

MY-105 Clear	MY-505 Orange
MY-115 Gray	MY-515 Light Amber
MY-205 Red	MY-605 Dark Green
MY-305 Yellow	MY-615 Light Green
MY-315 Light Yellow	MY-625 Medium Green
MY-405 Dark Blue	MY-705 Pink
MY-415 Light Blue	MY-915 Brown
MY-425 Medium Blue	MY-805 Purple

Bottom Tabs

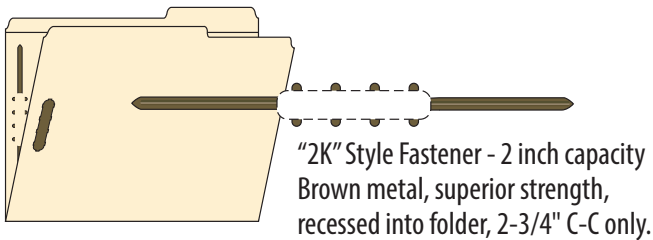

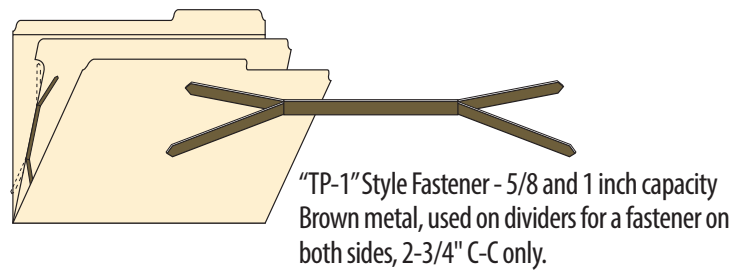

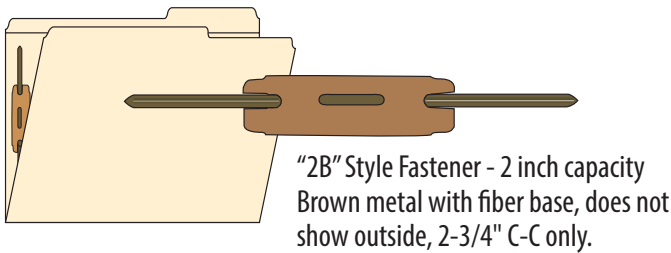

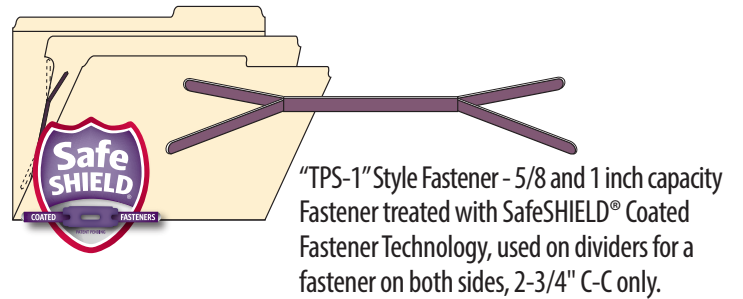

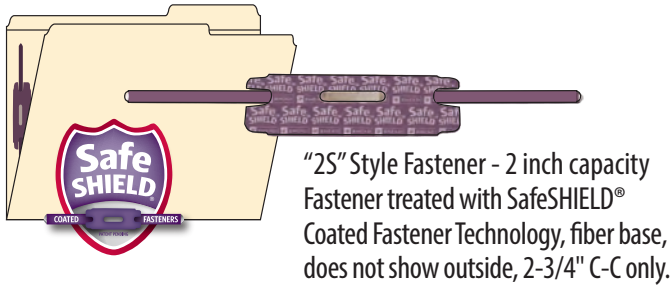

Side Tabs

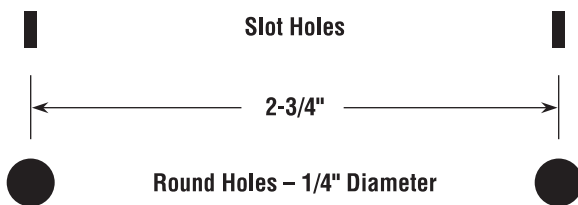

FASTENERS

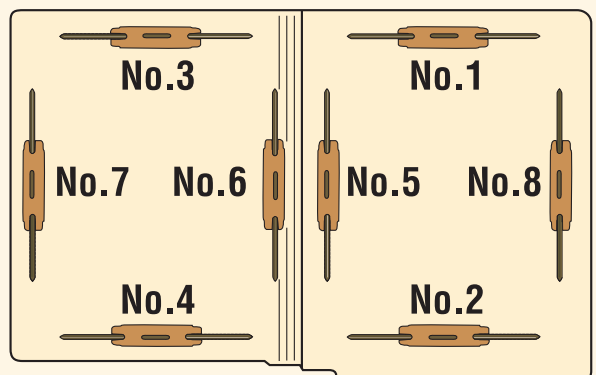

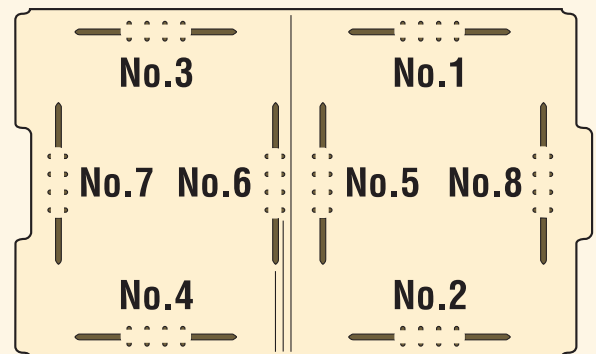

Add organization to any folder. Fasteners keep papers securely inside files and in the proper sequence.

Folders can be punched to accept self-adhesive fasteners.
Choose round or slotted holes. 2-3/4" C-C.

Choose the fastener style and position that works best for you. Use the position numbers from the illustrations shown when ordering.

MADE-TO-ORDER PRODUCTS

PRE-LABELED PRODUCTS

Save personnel time. Smead will generate folders ready-to-go with indexing applied. Specify the design of your labels, and supply your file heading data to us, and we will produce vibrant, color-coded labels and apply them to folders.

We can use your data in these formats:

- Microsoft Access™ database (*.accdb)
- Microsoft Excel® spreadsheet (*.xlsx)
- ASCII text file (*.txt) delimited
- ASCII text file (*.txt) fixed width

Year and month color codes to manage retention schedules

Solid color bands for special codes

Text in any size, color or typestyle

Graphic images

Bar codes

Color-coded indexing: alphabetic, numeric, or alpha-numeric in any popular color-coding style

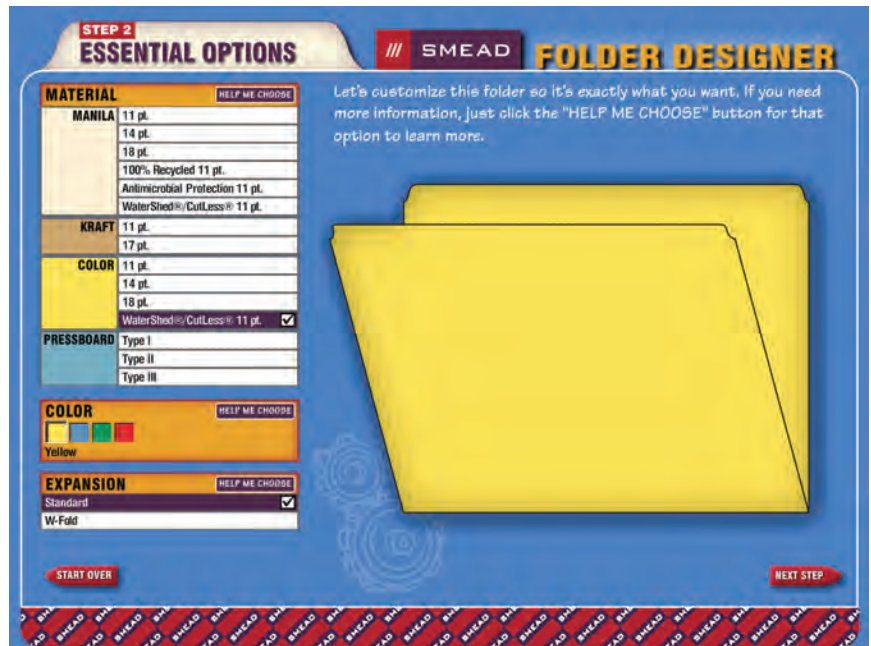

ColorBar® Labeling

Create an efficient end tab color-coded filing system using your PC and inkjet or laser color printer. Gain efficiency without the expensive and time-consuming task of applying individual colored labels to folders. Choose from many different alpha and numeric label designs. See the Labeling Products section in this catalog for more details.

ONLINE FOLDER DESIGNER

Create your own custom folder design in minutes with our online Smead Folder Designer. You decide which options best fit your needs, and we'll quote you a price.*
